**Алгоритм работы
учителя английского языка
в рамках реализации
проекта «ПРОчтение»
для 5-8 классов основной школы**

г. Грозный

Цель: совершенствование приемов формирования у обучающихся 5-8 классов орфографических и пунктуационных навыков по английскому языку, развитие умений письменной речи.

Рекомендации по содержанию работы учителя английского языка.

1. Для выполнения дополнительных работ по английскому языку обучающиеся должны иметь дополнительную тетрадь.

Обучающиеся пользуются стандартными тетрадями, состоящими из 12–18 листов.

Тетрадь по предмету должна иметь аккуратный внешний вид. На ее обложке (первой странице) делается следующая запись:

Тетрадь для
дополнительных работ
по _____
ученика(цы) _____ класса
МБОУ «.....»
Фамилия _____ Имя _____ (в Р.п.)

2. Организация дополнительных работ по английскому языку осуществляется один раз в неделю.

На последнем уроке английского языка в рамках текущей рабочей недели обучающимся 5-х классов в качестве домашней письменной работы выдается текст для списывания объемом не менее 40 и не более 60 слов. Обучающимся 6-х классов в качестве домашней письменной работы выдается текст для списывания объемом не менее 60 и не более 70 слов. Обучающимся 7-х классов в качестве домашней письменной работы выдается текст для списывания объемом не менее 70 и не более 90 слов. Обучающимся 8-х классов в качестве домашней письменной работы выдается текст для списывания объемом не менее 90 и не более 110 слов.

Не рекомендуется в этот день выдавать обучающимся более одной домашней письменной работы по английскому языку, при необходимости можно выдать дополнительное домашнее задание в устной форме по изученной теме: выучить слова, правило, и т.д. К следующему учебному занятию работа детьми должна быть выполнена и сдана на проверку. Учитель проверяет работы обучающихся, выставляет отметки в тетради в соответствии с критериями оценивания и выдает тетради обучающимся для выполнения новой работы.

Сокращенный алгоритм списывания.

1. Прочитай предложение и повтори его по памяти.
2. Прочитай предложение еще раз так, как оно написано.
3. Диктуй себе каждое слово по ходу записи предложения.

4. Проверь написанное. Прочитай каждое слово. Открой образец и сравни написанное с образцом.

3. Критерии оценивания работы по английскому языку

Now I'm going to answer your questions. As for my trip to London, everything was OK, but we didn't like our hotel. It was too noisy and the food was awful. We visited the Tower and were impressed by the famous St. Paul's Cathedral. I also enjoyed the Big Ben and other sights of London. All in all, we enjoyed our holiday.

I need to go as my mum is calling me! Hope to hear from you soon.

Soon we'll celebrate our aunt's birthday. We want to plant beautiful flowers in her garden. It'll be our surprise!

It's wonderful that reading is your hobby! As for me, I like reading and books play an important role in my life. Unfortunately, I'm so busy with my studies, so I don't spend a lot of time on reading. I read a lot in summer when I'm on holiday. I like adventure novels best of all. As for my favourite book in my childhood, it was Cinderella. I read it a lot of times.

Dear Tom,

Thanks for your email. It's always great to hear from you.

I'm always ready to answer your questions. As for me, I live in a city, and I don't want to live anywhere else. Living in the city is so convenient. I can go to the

museums, theatres and cinemas. I can't visit those places in the countryside. Of course, I'd love to live in a big house like yours, but I'm quite happy living in a flat.

Looking forward to hear from you again.

Dear Emma,

Thanks a lot for your message. I'm happy to hear from you again.

I am going to answer your questions. Well, it's a pity that the school I attend never organizes trips to the theatres because I love them. I'm a real theatre-goer! I really enjoy listening to an orchestra and watching actors on stage. Personally, I really like comedies, and I've seen a lot of Shakespeare's plays. They're really funny.

Sorry, I have to go now. My sister's calling me. Please, write back soon!

I am glad that you have pets! I think that it's very interesting to keep pets. They're funny and clever. Besides, you can play with them fun games. Some people are fond of animals, they like to keep animals at home. But it's not an easy thing.

As for me, I look after a dog. Its name is Rex. This dog is very smart. Last year my Rex attended a dog show and won. Of course, it's hard to have a pet. I have to feed it and take a walk.

The history of my country is great! Russia is famous for its achievements and outstanding personalities. As for the most important events in the history of Russia, it's The Great Patriotic War. Russian people fought for their motherland and happiness of future generations. I think that Russian commander G. Zhukov is really a great figure in our history. You want to know what kind of music I listen to. Well, music is my hobby and I'm fond of pop music. I have got a wonderful collection of CDs at home. Besides, my preferences depend on my mood.

Sometimes I like to listen to romantic and calm music. Other day I prefer energetic dance music. As for my favourite singer, he's Dima Bilan. His songs are so wonderful! You're interested in my parents' attitude towards my music preferences. They share my interests and we often discuss songs or music video.

In your email you asked me about my favorite activity. I like to play the guitar. Of course, it's my hobby. I began to play this musical instrument when I was nine. And now I can play very difficult musical compositions.

I've taken part in several contests. I 'm sure that it's rather difficult to play the guitar because you must practice a lot to be successful.

As for my dream, I 'd like to become a famous guitarist.

I'm sorry I must go to musical school. Write back soon!
